### A MESSAGE FROM:

Reverend Monsignor Kieran Harrington, V.E.  
 Vicar for Communications  
 for the Diocese of Brooklyn

Follow Msgr. Harrington  
 @MonsignorH

The recent attacks in France and in Lebanon are reminders of how cunning the devil is. Satan entered the hearts of men to convince them that the innocent are guilty and deserving of punishment. But how are we to respond? If Christ is truly King of our hearts, we must recall His words, "Love your enemies, pray for your persecutors." This is what sets us apart from people of other faiths and religious traditions. Lucifer is craftier than us and so we cannot rely on our might. Rather, we must follow the example of the King of Love! May God bless you.
