### A MESSAGE FROM:

**Reverend Monsignor Kieran Harrington, V.E.**  
 Vicar for Communications for the Diocese of Brooklyn

Follow Msgr. Harrington @MonsignorH

This Sunday we celebrate the feast of the Most Holy Trinity. One God - Three Persons is a challenging doctrine. What are we to make of this mystery? The Father and Son are bond to one another and this Love is the Holy Spirit. God's despises sterility and His love is always generative - inviting all creation to share in the Divine Life. We who are created in the image and likeness of God must also reflect the communitarian nature of God. We are called to communion with the Almighty and also one another! Our communion is made manifest when we share and are strengthened by the Most Holy Eucharist, in order to go about the work of attending to those most in need. May God bless you.
