

FATIMA GEMS ARRAY OF HOPE

Our Lady of Fatima's messages are more relevant today than they were over 100 years ago. This 13-part video series explores the impact of those life-changing messages given by our Blessed Mother to the three young children in Fatima, Portugal.

Host Father Andrew Apostoli, co-founder of The Franciscan Friars of The Renewal and renowned expert of The Fatima Apparitions, is joined by members of the Array of Hope cast, Steve Eguino and Lauren Costabile.

Each episode features a "Man on the Street" segment and an inspiring story of people sharing their journeys of faith, hope and love.
