Vicar for Communications
for the Diocese of Brooklyn

Follow Msgr. Harrington
@MonsignorH

When I was a young man in the seminary, Father Peter Vaccari once reminded me that for a Christian, it is not simply a matter for us of choosing between good and evil. Rather, we are most often faced with affirmatively choosing the highest good. This asceticism presupposes we have developed a spirit of discernment. This week, let us seek each evening to examine some of the choices we made. How have I made use of my time? Where have I made expenditures of precious and limited resources? Could I have made better choices? Would different decisions serve the highest good? May God bless you.
