Hope. Do I wish to be with God in Heaven? Do I believe that the Lord is assisting me with all that is necessary for me to be with Him in Heaven? This is at the crux of what we mean by hope. We can sometimes live as though we have despaired of that reality. Perhaps we have fallen into patterns of sin and we no longer believe it is possible to live a life of grace. Perhaps we have sinned in a way that we believe to be beyond the forgiveness of Almighty God. Jesus is the reason for our Hope! He is the reminder of the profound love and desire God has for each of us. His healing of the sick and the sinners is proof that God is always pouring out upon us whatever is necessary for salvation! May God bless you.
