### A MESSAGE FROM:

Reverend Monsignor Kieran Harrington, V.E.  
Vicar for Communications for the Diocese of Brooklyn

This coming week we will celebrate a curious feast, The Chair of Saint Peter. The famous Bernini sculpture behind the high altar of Saint Peter's Basilica enshrines the relic of the chair that Simon Peter is believed to have used. The feast is properly understood as a celebration of the ministry of Saint Peter, and by extension, his successors, as the Bishop of Rome. The date was set to also commemorate Saint Peter's confession of faith by Sean of Galilee (Tiberias) when he was confronted by Our Risen Lord who asked, "Simon Peter, do you love me?"

Pope Benedict wrote that "Celebrating the 'Chair' of Peter, therefore, as we are doing today, means attributing a strong spiritual significance to it and recognizing it as a privileged sign of the love of God, the eternal Good Shepherd, who wanted to gather his whole Church and lead her on the path of salvation." In other words, the ministry of Saint Peter is a ministry of bringing about unity in the life of the Church. We live at a time when the authority of basic institutions is threatened. Perhaps today we can pray for Pope Francis that his ministry may be a source of unity in the life of the Church and that we the Church might better testify to the power of the Cross.
