Follow Msgr. Harrington @MonsignorH

This week we will celebrate the Presentation of the Lord, or, Candlemas Day. It is on this feast that the candles we will use throughout the year are blessed. A reminder that the light of Christ has entered into our world. In the old Catholic calendar, this was the last day of the Christmas Season. Saint John Paul II established this as the day in the life of the Church to celebrate women and men in consecrated life. In truth, it is the witness of religious sisters and brothers that is the light of the world. These brothers and sisters of ours devote themselves to the service of the poor and sick as well as the care of children and all those in need. They manifest the love of Christ and His companionship with us on the pilgrimage of life. Take time this week to say a prayer for and express your appreciation to our women and men religious. May God bless you.
