Fr. Robert Lauder, author of over a dozen books, full professor of philosophy at St. John's University in Jamaica, Queens, and regular contributor to NET TV's Gabriel Award-winning movie-reviews series *Reel Faith*, has long had an avocation of viewing and writing about films, theatre and literature. He believes that great films can raise viewers' consciousness and challenge their conscience. In recent years Fr. Lauder has tried to interest Catholic formation programs to include some study of films in their educational efforts. *The Catholic Novel* is his popular lecture series that focuses on some of his favorite novels where Catholicism is treated favorably.
