

MYSTERIES *of the* CHURCH

The new season of *Mysteries of the Church* continues, with an upcoming episode on repentance. Repentance means a change of mind, and a change of attitude in a person's life, but is it "real?" Host Tim Moriarty connects with New Yorkers who have turned from sin, and those who want to, delving into the mystery of God's forgiveness, and how repentance works in New Yorkers' lives. Does repentance guarantee forgiveness from God? What about those whose lives were affected? Can any Catholic repent, regardless of how egregious his/her behavior was? How can priests and the Church support this process?

Ep. 8 (May 25): Repentance, the Bath of the Soul

Ep. 9 (June 1): Angels in the Boroughs

Ep. 10 (June 8): Evangelization
