### ST. FRANCIS DE SALES QUOTE OF THE WEEK

**“W**hen you find yourself growing sad, divert yourself without a moment's delay; make a visit, enter into conversation with those around you, read some amusing book, take a walk, sing, do something, it matters not what, provided you close the door of your heart against this terrible enemy. As the sound of a trumpet gives the signal for a combat, so sad thoughts apprise the devil that a favorable moment has come for him to attack us.
